Day 2 - Thursday 20 May 2027: Hanoi City Highlights

Breakfast at the hotel.

08:00 Meet your guide at the hotel lobby.

Explore the charming city of Hanoi, often referred to as the 'Paris of the East', with its yellow ochre colonial buildings, tree-lined boulevards and scenic lakes. Visit the historic **Ho Chi Minh Mausoleum**, an imposing monument of marble and granite built to house the preserved body of beloved revolutionary leader Hồ Chí Minh, affectionately known to the Vietnamese as "Uncle Hồ". Visit the **One Pillar Pagoda**, a Buddhist temple built in 1049 of wood in the shape of a lotus blossom and set on a single stone pillar. Continue to the **Temple of Literature**, Vietnam's first national university built in the late 11th century. The picturesque temple is an example of well-preserved traditional Vietnamese architecture and is featured on the back of the 100,000 Vietnamese dong banknote.

In the afternoon, after lunch at a local restaurant, we will visit a beautifully preserved French colonial villa just steps away from the historic Hỏa Lò Prison. This private residence, the **Xuân Oanh Family Home Museum**, offers a wonderfully intimate look into Vietnam's modern history through the lives of an extraordinary couple: Đỗ Xuân Oanh, a respected composer and diplomat, and his wife, Xuân Uyên, a pioneering intelligence officer. As you gently walk through the untouched period rooms filled with rare artefacts and wartime photographs, you will be **warmly welcomed by their granddaughter**. She will share candid, first-hand stories that bring her family's remarkable past to life, offering a deeply personal perspective that goes far beyond the official history books. You will also learn about Mr. Oanh's unique, nuanced role during the Vietnam War, where he engaged in thoughtful dialogue with American prisoners of war.

To beautifully connect these personal stories with the broader historical context, we will then take a short walk over to explore **Hỏa Lò Prison** itself. Originally used by the French to hold Vietnamese political prisoners before it became known as the "Hanoi Hilton," you will have time to walk through the remaining grounds and view the poignant displays, offering a quiet, reflective look at the country's recent history from the Vietnamese perspective before we wrap up our afternoon excursion.

NOTES:

- Tour duration: 07 hours
- The Ho Chi Minh Mausoleum is closed every Monday & Friday
- Please note that Ho Chi Minh Mausoleum will have seasonal closure during low season. The exact timing for the closure will be updated by the local government around 1 month in advance. Other destinations in Ho Chi Minh's complex open as per normal and we can only visit the exterior area of the Ho Chi Minh mausoleum during this time.
- Interior visit of the Ho Chi Minh Mausoleum upon request, subject to availability.

Day 3 - Friday 21 May 2027: Morning Walking Tour Of Hanoi - The Silker's Craft

Breakfast at the hotel.

09:00 Meet your guide at the hotel lobby.

Visit Hanoi's most iconic site, the scenic **Hoàn Kiếm Lake** ("Lake of the Returned Sword") named after a magical sword once used by a legendary Vietnamese emperor to defeat the Chinese Ming Dynasty. On an island in the middle of the lake sits the **Ngọc Sơn Temple** ("Temple of the Jade Mountain"), Hanoi's most visited temple. Dedicated to General Trần Hưng Đạo (who defeated the Mongols in the 13th century), La To (patron saint of physicians) and the scholar Văn Xương, the temple is accessible by the bright red **The Huc Bridge ("Rising Sun")**. Conclude the tour with a visit to the famed **Old Quarter** known for its '36 streets of 36 wares' named after the original 36 artisan guilds that date as far back as the 13th century. Explore the fascinating maze of back streets, fronted by narrow houses known as "tunnel" or "tube houses", built to avoid taxes based on the width of their frontage onto the street, a wonderfully eclectic glimpse into Hanoi street life.

NOTES:

- Approximate duration: 2.5 hours
- Inclusions: Lunch

Lunch at local restaurant.

In the afternoon, get ready for a captivating journey to the enchanting **Vạn Phúc silk village** in Vietnam.

In Vạn Phúc silk village, step into the world of **Vụn Art**, a pioneering social enterprise where artisans with disabilities transform discarded silk into works of beauty. Guided by their artistry and resilience, you'll learn silk-collage techniques and design your own tote, purse, or painting.

To close, gather in **a women's reflection circle**: share the stories behind your creations, write a short intention or affirmation on fabric, and add it to a collective "patchwork of voices." This symbolic act mirrors the mission of Vụn Art, individual strengths woven together to create something stronger, more beautiful, and deeply connected. Return to your hotel and enjoy free time at leisure.

Start your journey to Halong where you join the Heritage Line 'Ginger' cruise for a 2 day/1 night journey through Lan Ha Bay.

Upon arriving at **Halong Bay**, we will take a quick, breezy speedboat ride out to your floating home for the next two days, the beautifully designed **Heritage Line 'Ginger'**. As we begin our cruise into the quieter waters of Lan Ha Bay, you will sit down for a thoughtfully prepared lunch in the light-flooded, panoramic dining room. Afterwards, you can take some time to unwind on the open terrace deck or your private balcony, simply soaking in the surreal, passing views of towering limestone islets and hidden crescent beaches.

Later in the afternoon, we will drop anchor near Cát Bà Island and step ashore to visit the quiet community of **Việt Hải Village**. Nestled in a lush, jungle-clad valley and only accessible by sea, it is a beautifully isolated spot. We will take a **gentle bicycle ride** through the area, giving you a wonderful, first-hand look at the self-sufficient lifestyle of the locals as they cultivate their own fruits and vegetables and fish in the bay.

Returning to the ship, tonight we will cruise to a peaceful spot to anchor for the night and welcome our **talented chef**, a passionate chef from Hanoi with more than 15 years of experience. As the evening sets in, you are invited to join our chef for an engaging **cooking demonstration**, where she will gently guide you through the secrets of authentic Vietnamese flavours and share the proud role local women have played in preserving these rich culinary traditions for generations. The menu is carefully crafted by the ship's talented female chef, whose focus is on fresh, balanced, and deeply nourishing ingredients.

At sunrise, join a gentle **yoga session on deck**, designed specifically to nurture women's health as the golden light awakens the limestone cliffs around you. The ship then sails to a place called **"Frog Lake"**, a secluded area which is perfect for an energetic morning excursion by **kayak**. Explore this captivating marine landscape with cliffs stretching vertically out of the water and you feel a sense of freedom while paddling through a labyrinth of jade-green water, rocks and vivid tree-topped islets.

Early morning is truly a magical time on the bay as the limestone karsts appear all around you in different shapes, sizes and colours. Enjoy a brunch on board before arriving at Ha Long City Pier at noon where transportation will be waiting for the 2.5-hour drive to **Noi Bai airport** for the flight to Hue.

Day 6 - Monday 24 May 2027: Hue City Tour - The Buddhist Tradition of Hue - Private Royal Dinner at Ancient Hue with Culinary Artisan

Breakfast at the hotel.

08:30 Meet your guide at the hotel lobby.

Begin your morning in the heart of Vietnam's imperial history as you walk the ancient pathways of **Hue's Imperial Citadel**. Here, you will be guided not only by the grandeur of the architecture but also by the voice of Ms. Phan Thuận Thảo, a historian and royal descendant. Through her lecture, Vietnam's past unfolds from a woman's perspective, illuminating the resilience, influence, and legacy of women in shaping royal life and cultural identity. Afterwards, drive to **An Hiền garden house**, originally the residence of Emperor Dục Đức's 18th daughter. The house is an excellent example of traditional Vietnamese architecture, featuring a large tiled roof supported by massive pillars to form three large bays, the middle of which houses the family altar. Most of the timber is ironwood with richly carved and ornamented beams and doors. A lush Feng Shui Garden surrounds the house on all sides, and is full of flowers and fruit trees including lychee, persimmon and pear. Continue to another classic example of a garden house, the former **home of Princess Ngọc Sơn**, a well-preserved structure with three bays and two wings. Among the garden's highlights are a lotus pond and rock garden. The present owner, himself a direct descendent of the Imperial Court, also has a fascinating collection of artefacts and mementos from the days of the former Royal Empire.

NOTE: Approximate duration: 4 hours

Hue, the spiritual hub of Buddhism in Vietnam, embraces a belief in an afterlife free from suffering. For this experience, you'll venture to the 400-year-old **Khánh Long Pagoda**, which was consecrated by King Nguyễn Phúc Chu. Enjoy a walk through the serene precinct before sitting down to a vegetarian lunch prepared by the pagoda's nuns. Their belief compels many Buddhists to adopt a vegetarian diet, choosing to avoid inflicting suffering as a way of alleviating Karma from their past lives. Then you will meet a nun, Tinh Tam, and delve into the intricacies of religious life, including contemplative reading, and gain insights into the core tenets of Buddhist belief.

Return back to your hotel afterwards.

NOTES:

- Approximate duration: 2 hours
- Inclusions: Vegetarian lunch
- When visiting temples in Vietnam, please dress modestly with covered shoulders and knees, and remember to remove hats and shoes before entering.

Tonight, stepping back in time at the Phú Mộng Restaurant, where the elegant atmosphere of the Nguyễn Dynasty royal court is vividly brought to life. Surrounded by traditional music, beautiful royal costumes, and graceful performances, you will sit down for a thoughtfully prepared, sumptuous dinner. The true highlight of the night is a very special meeting with a highly respected gastronomy artisan who was born and raised in a royal family. She will personally introduce you to **"Salt Rice,"** a deeply symbolic dish of the former Imperial capital that she has dedicated her life to recovering and preserving. You will have a wonderful chance to talk with her about her culinary journey while savouring this unique delicacy, which features up to nine varieties of expertly prepared salts, including sesame, lemongrass, galangal, and shrimp. Taking the time to enjoy this meal slowly is the best way to truly appreciate the complex, perfectly balanced blend of salty, peppery, sweet, and sour flavours alongside the fragrant rice. Return to your hotel after a beautiful, immersive night experiencing the authentic heritage and tastes of the Hue Mandarin court.

In perhaps the most intimate part of the discussion, our guests will open up about the everyday realities of blending two cultures within a family. You will hear honest stories about navigating daily life and differing roles in a cross-cultural marriage, the nuanced choices involved in raising children with a dual identity, and how they proudly keep their Vietnamese heritage alive in an international household.
